

THE EMPLOYEE EXPERIENCE

Kennedy's Flexible Space Booking Journey

with Rendezvous by NFS

Kennedys, a global law firm, selected NFS Technology to optimize their space management while delivering a great employee experience.

On-The-Go Booking

I love using the mobile app to effortlessly reserve my hot desk.

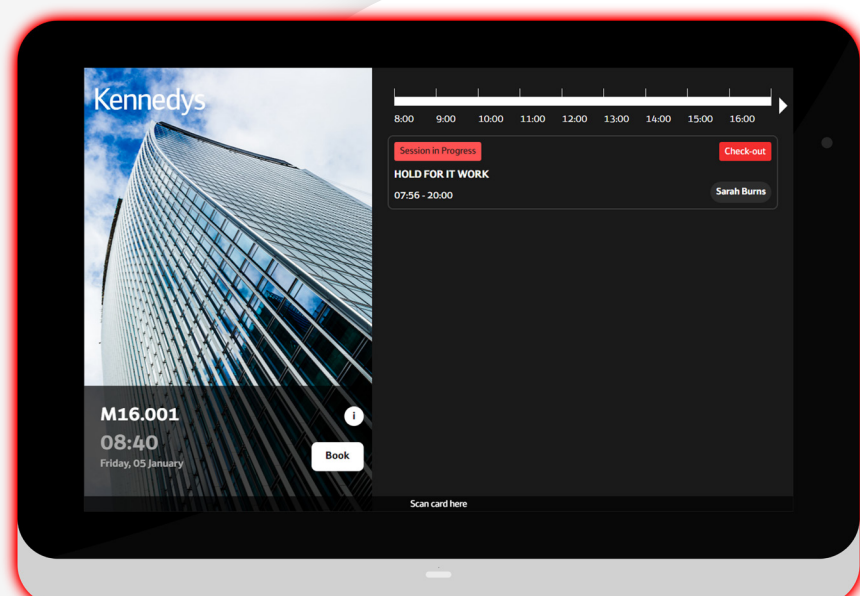

Desk Panel Check In/Out

The desk panel lets me know the space is booked and I can check in.

Wayfinding via Kiosk

I can quickly locate my colleague and navigate to their desk.

Collaboration Made Easy

I can easily check in and start collaborating with my team.

The End of a Great Day

I check out of my desk and book collaboration space for tomorrow.

It's time to create a satisfying workplace experience that nurtures collaboration, creativity and talent retention.
